Husqvarna R 200iX

Multipurpose for the multitaskers, the Rider R 200iX leads the shift towards electric riding lawn mowers. Dynamic mowing mode autonomously adapts to suit any lawn condition for an even cut, while SavE intelligently optimises battery use for class-leading capacity and efficiency. The fully electric, belt-free drive system reduces maintenance and produces zero direct Co2 emissions during use. Maximise your productivity with its premium features, customisable settings and optional attachments.

Automatic blade engagement

The blades are engaged automatically when you lower the cutting deck for a quick and smooth start of work.

100 % battery powered

The fully electric, belt-free drive system reduces maintenance.

Intuitive control panel

All controls, including the cutting height adjustment and jog-wheel, are ergonomically located and easy to reach from the operator's seat. The blades are engaged automatically when the cutting deck is lowered for a quick and smooth start of work.

FEATURES

- The fully electric, belt-free drive system reduces maintenance.
- The blades are engaged automatically when you lower the cutting deck for a quick and smooth start of work.
- All controls are ergonomically located and easy to reach from the operator's seat.
- The power supplied to the blades is automatically adapted based on the cutting conditions to maximise results and runtime.
- The cutting deck can be tilted up into service position for easy access during cleaning or service.
- Automatic parking brake for increased safety with less effort.
- LED lights indicate charging status for better control and planning of work.
- 14-inch wheels both front and back provide optimal riding comfort, great accessibility and less risk of damaging delicate surfaces.
- The battery power riders requires less maintenance compared to petrol machines.
- Battery-power means a more silent operation for improved user comfort and less noise impact on neighbours.
- Front-mounted cutting deck for excellent accessibility into corners and under bushes, park benches etc.
- The Combi cutting deck allows you to choose between two cutting systems depending on the conditions.
- The rear axle is pivoting to get maximum traction on the drive wheels also on uneven surfaces.
- The intuitive display guides through visual symbols and warning sounds to facilitate the driver's work.
- BioClip® (mulching) cuts the grass into fine pieces that quickly decompose and become a natural fertiliser
- Articulated steering gives excellent maneuverability and facilitates driving around obstacles.
- Intuitive user interface with easily operated jog-wheel to interact with your machine.
- Convenient bottle holder for refreshments.
- Electric motors individually control each blade for improved runtime and performance.
- SavE™ mode maximises the run time by lowering the rpm and is ideal for tasks that do not require full power.
- Low center of gravity on the rear axle to optimize stability and grip in varying terrain.

Husqvarna®

Husqvarna R 200iX

Technical Specifications

BATTERY	
Battery	EM-5240Li
Battery charger	Not included
Battery capacity	38.5 Ah
Battery manufacturer	Husqvarna
Battery pack weight	17 kg
Battery type	Li-Ion
Battery voltage	50.4 V
Quantity of batteries/battery pack	1 pcs
DIMENSIONS	
Article gross weight	263600 g
Article net weight	190000 g
Base machine, height	113 cm
Base machine, length	199 cm
Base machine, width	89 cm
Cutting height steps	10
Ground clearance	100 mm
Gross weight towed	110 kg
Seat back height	Medium
Tyre dimensions, front	170/60-8
Tyre dimensions, rear	170/60-8
Weight (complete product w/o side packed articles)	190 kg
Weight (excl. cutting equipment)	190 kg
EQUIPMENT	
12V outlet	No
Blade engagement	Electric
Cup holder	Yes
Cutting deck type	Combi
Cutting height adjustment	Lever, while seated
Drive method	Dual pedal-operation
Drive system	Rear wheel drive
Foldable seat	Yes
Headlights	No
Hinged armrests	Not available
Hour meter type	Digital
Seat adjustment	Tool-less
Seat suspension	Yes
Service position	Yes
Wheelbase	90.7 cm
LUBRICANTS	
Power/fuel type	Battery
SOUND AND NOISE	
Sound power level, guaranteed (LWA)	96 dB(A)
Sound power level, measured	95 dB(A)
Sound pressure level at operators ear	78.2 dB(A)
VIBRATIONS	
Vibration level seat	0.23 m/s ²
Vibration level steering wheel	0.13 m/s ²
